NOTES FROM THE NHABDA PRESIDENT

by Eileen Morin

Autumn is a wonderful time of year; the days are comfortable, the nights are cool and the leaves start changing to hues of red, yellow and orange. It's time for apple picking, Halloween festivities and pumpkin decorating.

We hope you will attend our Pumpkin Festival Dance at Pinkerton Academy on Saturday, October 21. Alpha Beats will be our DJ for the evening. Maria and Ray Huard from Paper Moon Dance Studio will teach a Viennese Waltz lesson. They also have a creative showcase planned. In keeping with the pumpkin theme we will have pumpkin flavored and orange colored snacks. You may also want to wear something Orange.

On Sept 16, NHABDA celebrated its 30th Anniversary in conjunction with National Ballroom Dance Week. Kudos to Joyce Wilson for the commemorative wrapped candy bars adorning each table. Thanks to Virgie Beacom, for festive decorations, elegant desserts and pineapple punch, and to Kathy and John Carbonello for the beautiful anniversary cake.

The festivities began with a Samba lesson taught by Ron Gursky and Peggy Morrow of Portsmouth Ballroom. The showcases, also by Portsmouth Ballroom, included an Argentine Tango danced by Jim & Linda Hedrick, a Bolero performed by Peggy Morrow & Keith Kallber, and a Foxtrot danced by Ron Gursky and Linda Hendrick. The Dave Burbank Orchestra provided wonderful dance music all evening.

Thanks to all who participated and helped make the evening so enjoyable.

Remember, you don't have to be a board member to help on a committee!

Dance hosts are expected to socialize and dance with the ladies, while being careful to not to show favoritism.

Dance hosts should be physically fit, with impeccable manners, and with good dance skills in dances such as the waltz, rumba, foxtrot etc. A host must have an inherent love for dancing and socializing.

Thanks to our Dance Hosts for serving in this role during the "Celebration of Dance".

From the NHABDA Board:
**Thank you to everyone who helps
us clean up after each dance!**

Dance Quotes

It's a way of expressing what I feel without actually saying a single word. I get to show you my feelings without telling you what they are.

Dance is a language you feel, not hear.

Watch me dance, and you'll know who I really am.

Words can fail me. Dance never will.

In November we will be holding our annual "Giving Thanks" Dance, during which we will be collecting canned goods and other non-perishables for the NH Food bank.

We will also be holding elections for new members to our Board of Directors, as part of an annual meeting. It is important for our members to get involved, so the organization continues to thrive. We are starting to plan next year's events and we need your input. Please talk to a board member or shoot us an e-mail to find out how you can get involved.

As we reflect on NHABDA's 30 years of bringing people together for the joy of dancing, we give thanks to our founders for their vision in creating this organization, to past directors and committee members, for their service and to Joe Hannaford (and now Rene Van Oosten) for the time and effort they put into Footnotes and photographing our events. We are grateful to Betty Ashooh, who arranges our reservations and has become a fixture at our monthly dances. Bon Voyage and Thanks to Buzz & Diane Nine, two of our current Board members, who are moving to N. Carolina. We wish them well in their new home.

Finally, I would like to acknowledge and thank the current Board of Directors and Committee Members for another successful year, and for their continued support to our organization.

We look forward to seeing you at our next event.

CHARACTERISTICS OF DANCING

There are many different characteristics of dancing. Each dance has it's own flavor and style, and each dance brings with it a unique and vibrant culture. Of course, one major characteristic of dance involves it's ability to allow partners to connect and form a relationship... platonic or romantic.

There has always been a romantic side to dancing. People have been meeting and forming bonds through dancing for centuries. There's a special quality within it's essence. A quality that brings people together physically as well as spiritually. When people hear the music and feel the excitement, good feelings start to circulate.

Salsa, for example, is a hot and spicy dance known for it's seductive and alluring character. Tango, on the other hand, is a deeply strict and firm dance, yet the vibrations and energy between leader and follower can be just as strong as in Salsa.

Many people know this stuff to be true, but because they don't think they can dance, or because they don't know how to learn, miss out on a whole world of social and romantic opportunity.

For those of you who don't know how to dance, we recommend these resources as starting points: Dance DVD,s, Dance Movies, or TV Shows and even your local Dance School.

And for those of you who do know how to dance, you can always learn more! So get out there and dance...
